

Moby - Extreme Ways

Bm

Extreme ways are back again
Extreme places I didn't know

A

I broke everything new again
Everything that I'd owned

Em

I threw it out the windows, came along
Extreme ways I know apart

Bm

The colors of my sea
Perfect color me

Bm

Extreme ways that help me
That help me out late at night

A

Extreme places I had gone
But never seen any light

Em

Dirty basements, dirty noise
Dirty places coming through

Bm

Extreme worlds alone
Did you ever like it planned

[Bridge]

I would stand in line for this
There's always room in life for this

Bm

Oh baby, oh baby

A

Then it fell apart, fell apart

Em

Oh baby, oh baby

Bm

Then it fell apart, it fell apart

Bm

Oh baby, oh baby

A

Then it fell apart, fell apart

Em

Oh baby, oh baby

Bm

Like it always does, always does
